

UNITED GRAND LODGE OF ENGLAND

November 2017

To our GL Guests who attended the UGLE Tercentenary Celebrations

Dear Brethren

On behalf of all of us who helped in the planning of your visit, I should like to say how pleased we all were that you were able to join us and help celebrate the Tercentenary of our Grand Lodge. We hope you enjoyed your stay here in London and that you had a return journey without problems.

The official photographs which were taken at the various events held during your stay, including the reception at Freemasons' Hall when you were presented to our Grand Master, HRH The Duke of Kent, are now available to view, and download, from UGLE's Flickr site (www.flickr.com) using the links shown below. Any used (such as on your Grand Lodge website or in any publication) must be credited – "Chris Allerton Photography/UGLE".
